## Helping Our Community Grow

**T**he State of California has discontinued financial assistance to all county fairs. It has become a significant challenge for the Colusa County Fair to continue to produce the high quality community celebrations we have all enjoyed in the past.

The needs are broad, from funds for facility improvement to sponsorships for educational exhibits, fair entertainment, ongoing operational/maintenance activities and more.

Your support of the Colusa County Fair Foundation is a vital investment in our local heritage and community. Thank you.
